

A citizens' initiative to build a better
Richmond!

VOTE YES ON T

A FAIR SHARE FOR RICHMOND

The People of Richmond put it on the ballot

With your vote, you will decide

It will require large manufacturers like
CHEVRON

To pay a fair share for a business licence

Millions will be generated for jobs and services

**It will NOT increase fees for retail, non-
manufacturing businesses, small
businesses or landlords.**

It is time for **CHEVRON** to pay to Richmond a fair
share of the billions in profits it makes.
