

Chronic corporate polluters like Exide are the #1 threat to Healthy Hoods!

STATEWIDE CALL TO ACTION

*Healthy hoods,
not toxic hotspots*

Rally & press conference

April 14th at 10 am

Exide, 2700 S Indiana St, Vernon

Communities across California are being poisoned by chronic corporate polluters like Exide. Hear from community leaders and elected officials on the impacts of Exide and the need for statewide action.

**Join the fight to ensure No More Exides
and win healthy hoods throughout
California!**

Sponsored by CEJA and CBE.

*For more information, contact: Strela Cervas,
scervas@caleja.org, (323) 826-9771 x 104*

***Which path will you choose: more toxic hotspots from polluters like Exide,
or the fight for healthy hoods?***
